Bring filled Mite Boxes to Sunday School on April 27.

Mite Boxes are a tradition for the children of Christ Church during Lent and will be distributed in Sunday school classes with calendars on Sunday, March 2. This outreach project encourages them through prayer and giving to participate in the season of Lent and share God's blessing with others. This year our mite box offering will benefit Minnie's Food Pantry, a food donation facility for those in need, located here in Plano. Filled mite boxes will be collected and brought by the children to the Sanctuary during both Sanctuary services on Sunday, April 27.

Please contact Angela Rotello at AngelaR@ChristChurchPlano.org with any questions.
